This is a Pirate ship.

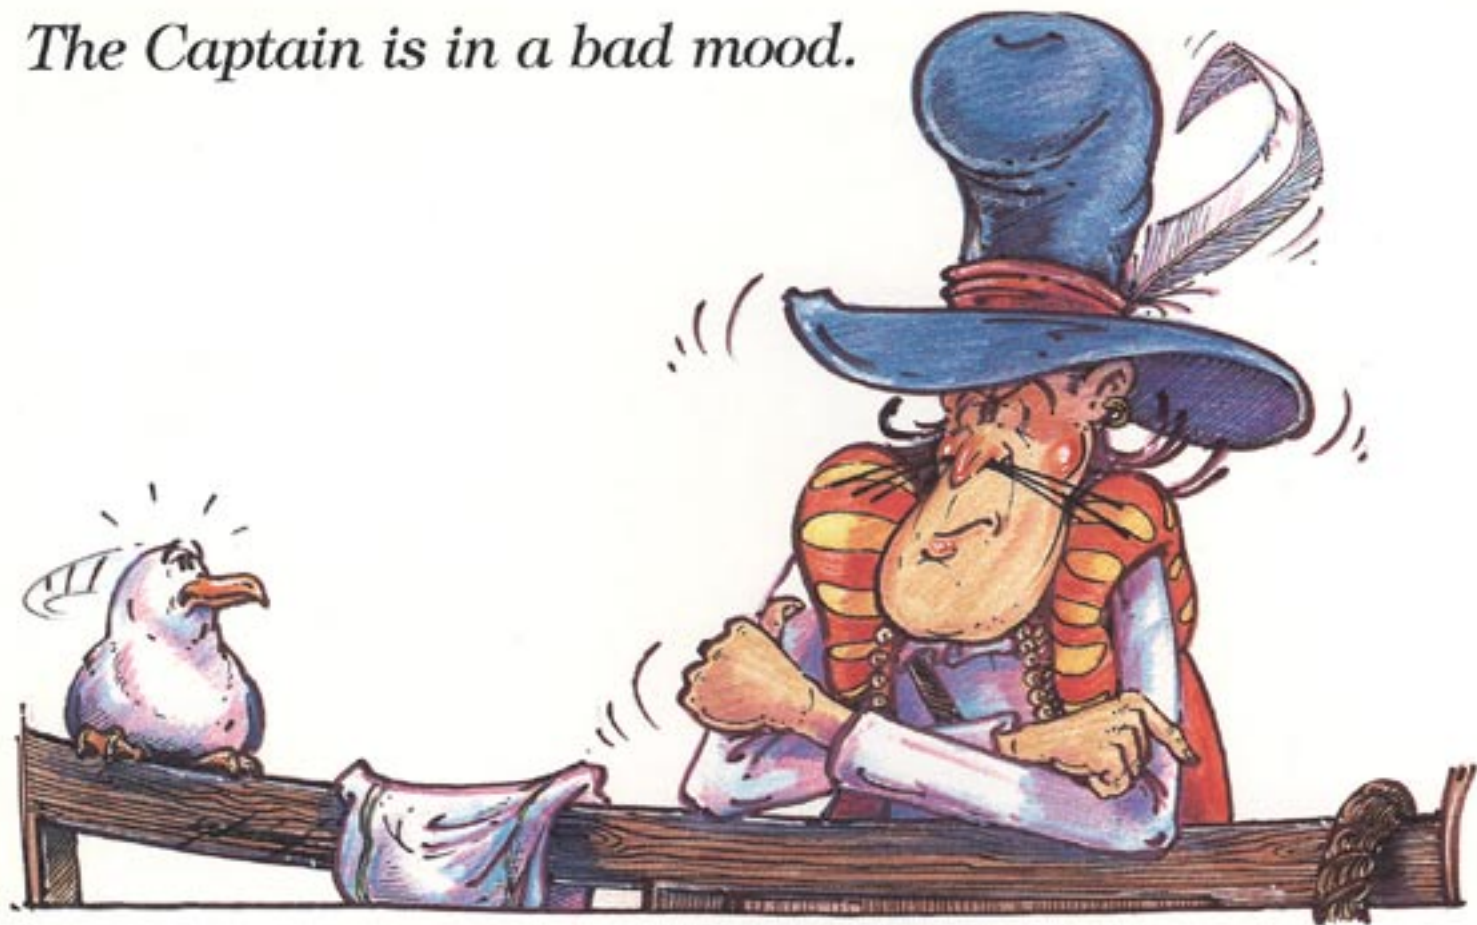

Lots of pirates live on the ship.

This is Wilf the Cabin Boy.

*He is learning
to be a pirate.*

The Captain is in a bad mood.

'This ship is a mess!' he shouts.

'It is untidy, dirty, and falling to bits!'

*Hue calls for Wilf and says,
'Get me some paint. I will tidy up
my part of the ship.'*

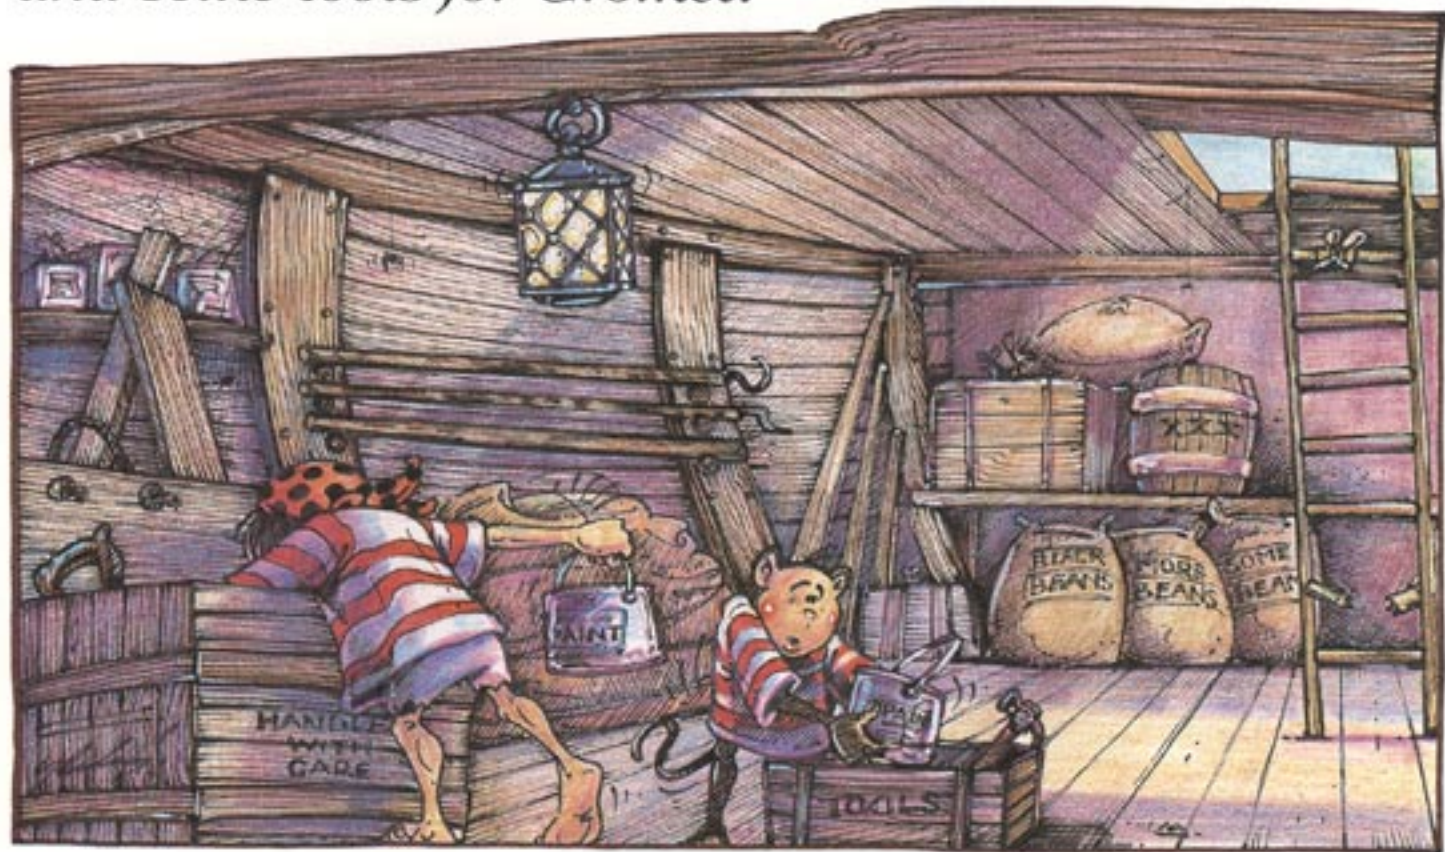

Wilf goes down to find some paint for Hue.

*Gromet calls for Wilf and says,
'Get me some paint and some tools.
I will tidy up my part of the ship.'*

Wilf goes down to find some paint and some tools for Gromet.

The other Pirates call for Wilf.

'Wilf, get us some paint, some tools, and some wood.

We are going to tidy up our parts of the ship.'

Wilf and Jib find all the things,

and give them to the Pirates.

The Pirates work all night to mend the ship.

The next morning the Captain gets a surprise.

A very big surprise!
